The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage call 1-800-261-2393 or visit www.ehp.org. To get a copy of the Summary Plan Description, call 410-740-7815 or visit www.hcgh.net. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> for this <u>plan</u> ?	\$500/person, \$1,000/family; excludes charges above <u>allowed</u> <u>amount</u> .	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive care</u> and prescription drugs are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	Yes. \$1,000 lifetime deductible for infertility treatment.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	<u>Medical</u> : \$3,000/person, \$6,000/family. <u>Prescription drugs</u> : \$4,100/person, \$8,200/family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Charges above <u>plan</u> maximums, <u>premiums</u> , health care this <u>plan</u> doesn't cover, penalties for failure to obtain <u>preauthorization</u> .	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.ehp.org</u> or call 1- 800-261-2393 for a list of in- network providers.	This <u>plan</u> uses a <u>provider network</u> . You usually pay the least if you use an EHP Preferred <u>Network Provider</u> . You usually pay more if you use an EHP <u>Network Provider</u> . This <u>plan</u> does not cover charges from <u>out-of-network providers</u> . If you use an <u>out-of-network provider</u> , you will be responsible for the full amount of the <u>provider's</u> charges. Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
